E. Reports

1. President

- Not too much came out of the District meeting. Majority of the meeting was based around the approval of the Metro Teams. We had two teams that did not get approved. These two teams are on hold for the time being until the information is received. We added another U-16 Boys team from Prospector.
- Teams interested in playing in US Club need to talk to their club presidents for approval and they will need to register with EDUCC.
- Referee Ratio: Adult to kids. At this time it will be left to the clubs.

2. Vice President

- Talk about kickoff
- Remind your coaches that they cannot apply to more then one tournament on any given weekend.

3. Treasurer

-

4. Registrar

- Select teams are being registered at this time.
- Competitive teams have been registered.
- Registrations are trickling in slowly.

5. Secretary

- No report.

6. Referee Coordinator

- Two classes are going on at this time. One started last night and the other started tonight.
- There was a class given in Tahoe; Tom Starr and Lou Gagne attended.
- June 28, 2008 there will be an advance ref training session.

7. Coaching Coordinator

- Last coach clinic had 20 attendees.
- The next clinic is an F course. Anyone attending the next class if not from El Dorado Hills will need to pay \$45.00.
- Thirty-five coaches have attended so far; only five have been from outside the area.
- There will not be an E/D or D this year. If the league wants to host one of these we need to start hammering the ground now for next year.

8. Metro Coordinator

- Last Metro meeting was 3 hours long and they approved 481 teams.
- Kudos to those who helped make this happen..

9. Coaching Director

- Eight advanced clinics have been presented at this time. There are still 2 more classes to do.
- The Coach "Diploma" program is getting ready to start this weekend. There are concerns that the word has not gone out to all the coaches.
