- E. Reports**
1. President
 - Trying to get more updated with electronics for registration procedures, and tournament cups. Streamlined to eliminate paperwork.
 - District VI, with 14 presidents, largest district in California – speculating that District VI may have more input for tournaments, and other possible changes.
 - Referee classes must have a ratio of 1 adult to 3 kids. Per EDYSL, we will not be abiding by this ruling, and continue as is.
 - Trying to keep parents in line, on the sidelines.
 - Cassy Rowe – serious injury U19 Sierra Xtreme, paralyzed, with many months of therapy. Has website for people to visit, and express their thoughts www.caringbridge.org/visit/cassyrowe
 2. Vice President
 - 1st red card this week, U19.
 - Applications for Association Cup need to be at state office by November 1st at 5:00pm
 - District Cup Applications must be in by October 15-16th.
 - U10's will be allowed to play in District Cup, as this is a district event. More information to follow. Soccer Fest still available. All applications will go to Mike Bier. Checks payable to EDYSL, fee \$110.
 3. Treasurer

 4. Registrar
 - Registration report distributed.
 - 4,633 players. Suggests that all clubs verify player lists, and names are not duplicated. Clean up before final bill – corrections.
 - Transfers – need \$15 District VI, 1601, goldenrod, and completed transfer form signed by both coaches.
 - Mike –Mary has done a magnificent job in processing all registrations so that all children are allowed to play.
 5. Secretary

 - iv. High Sierra SC
 - Season started
 - Placerville Unified School District – changed their field usage policy, to hourly rate of \$10.00 per field. Needs to go back, and document hourly usage of fields.
 - Suggest that clubs go to the superintendent of school district, and offer a flat fee payable at the end of the season, this may help in school district’s budget.
 - v. Prospector SC
 - Not available
 - vi. Sierra Gold SC
 - Not available
 - vii. Sierra Tahoe SC
 - Trying to combine rec, select, and comp programs. If we have a club program running, would be nice to have all programs under one umbrella. Have all players complete 1601s, and run through club. Adult league is questionable. Mike will discuss with District if adult league could be included. Cannot include comp – because EDUCC is the only club under EDYSL.
 - Phil – suggest that they bring the rec program under the club umbrella, to build up the kids to feed into the select program.
 - If we combine the programs, need to get the coaches trained so that the kids get a better program, and they are not disappointed.
 - Thank you Mary, for all her hard work.
 - Forewarning – issue after girls’ game, parent handling AR, coach of opposing team may protest the game (they lost), due to parent as AR.

H. Good of the Game

- Mike - Mark Dickerson, President of Elk Grove, came up to Sierra Tahoe with U11 girls’ team, and after the game, STSC provided a BBQ for both teams.
- Eric Pauly – EDK Classic, great tournament. U14 girls team place 3rd. Game itself was exciting.
- Mike - suggest that Sierra Tahoe could host a tournament, must get in early, and would be a benefit to their club. Go through CYSA, unrestricted \$1500.

Respectfully Submitted,

Kim Cameron
