- 10. TOP Soccer
  - Practicing every weekend, doing well

  - Pictures this weekend
  - Per Sue Gagne, emphasis that other clubs for a committee to support TOP Soccer, need all the clubs to participate and support the program.
  - Elk Grove having play date on Sunday – 30 players
  - Cap Valley has 15 players.
  - Yuba-Sutter has 35 players.
  - Brentwood hosting Pumpkin Fest.
  - Soccer Fest, Association Cup and Founders Cup – looking to have a field set up for TOP Soccer, so they can see how the other kids play
  - Sierra Gold/High Sierra currently playing each Saturday at Indian Creek. If you have any kids that want to play contact Wendy.
- 11. Clubs
  - i. El Dorado CC
    - No report on comp side
    - Lights at Christa, and rules not set in place by CYSA and league. Lights need to be cranked down after finished.
    - El Dorado Hills, EDUCC, Gold Nugget, Sierra Gold, Prospector , Sierra Tahoe, and High Sierra are being “put on notice” for the following: All goals will be secured (staked down/sand bagged) at each game and practice, and all lights need to be cranked down after use. The goals need to be secured after every practice.
  - ii. El Dorado Hills SC
    - In house – 4 v 4 U8 Friday Night Fun
    - Townhall meeting – Ed spoke about a need for a regional park, especially comp and select teams. Mike Flynn’s biggest battle next year will be

field usage, most going to football and baseball.

- Mike – reports from casinos that they have built sports parks for the community. Need to have each club report back about field usage.
- iii. Gold Nugget SC
- Season going well
- iv. High Sierra SC
- Markham field was damaged – pretty combative between school and Tom White. Originally after damage field was unplayable, however, school activities continued, and email has been sent out this week – using the field during rain tears it up, and to limit use during this time. Field is open for use again. Principal is questioning funds from League, and funds from High Sierra is OK. Would like to get priority use from July to December.
  - El Dorado High School is working on approving a all season field. Mike mentioned that league is able to work on getting grants to support field improvements in partnership with schools, CSDs, etc. Plenty of money available.
  - Merger of the two clubs moving ahead. Each club putting together a committee of 3-4 people, and went through pages of concern, and each committee to go back to their club respectively to have a vote whether to proceed with the merger. Looks positive. Merge, to create a new entity with new name, by-laws, basically forming a new club. Because they are corporation, Mike concerned about costs changing the name and by-laws.
  - Season going well – no real major issues
  - Coach sent out heated email – he received solicitation for soccer equipment. Probably originated from CYSA, because they can sell mailing addresses.
- v. Prospector SC
- 4 v 4 U8 games – split teams. Benefit: forming A and B teams, better matched, and balanced.
- vi. Sierra Gold SC
- Halloween Fest in 2 weeks.
- vii. Sierra Tahoe SC
- Not available
